

Colvin Crew Recovery No. 33 – Summer 2017

Limekiln Lake, Hamilton and Herkimer County, New York

RE: Recovery No. 33 for the Colvin Crew on and about Limekiln Lake in Inlet, New York (43°43'12"N, 74°48'17"W).

Saturday August 18, 2018

Dear Crew,

The recovery planned for the 18 August 2018 will be a mostly boating recovery on the waters of Limekiln Lake. Colvin had visited the lake on an early exploration of the area and theorized that the Hamilton and Herkimer county boundary was near the lake's shores. We will work on recovering these points and points placed during ice measurements across the lake.

We will meet at the boat ramp at the Limekiln Lake State Park for access to the lake at 09:30 AM on Saturday the 18th August. There is an \$8 fee to obtain a pass for park access and the boat dock parking area. The State of New York has a public campground here and, at last check, there were campsites available for this weekend. There are also accommodations possibly available in the town of Old Forge to the west on Route 28.

Information about Limekiln Lake State Park including: Detailed driving instructions, camp site reservation, canoe rentals, etc. can be found on the web at :

<https://newyorkstateparks.reserveamerica.com/camping/limekiln-lake/r/campgroundDetails.do?contractCode=NY&parkId=661>

Thank you. I look forward to seeing you there.

Jeff Storey
